

# Entrepreneurship & Innovation Minor

## About the Entrepreneurship and Innovation Minor

The entrepreneurship and innovation minor will prepare students across the Colorado State University campus to play crucial roles (as founders, investors, advisors, policy makers, and executives) in the greater entrepreneurial eco-system including new venture start-up, corporate entrepreneurship, social and sustainable ventures, and government entities. The minor consists of 24 credits which are a combination of required entrepreneurship courses from the College of Business and electives across majors, selected due to their entrepreneurial nature.

## Eligible Students

The entrepreneurship and innovation minor is designed for students who have a strong desire to be engaged in entrepreneurial activity. Any business or non-business major is eligible to apply, excluding organization and innovation management students. In order to provide an exceptional learning experience this minor is capped and competitive. To be considered for acceptance, students must be in sophomore standing (i.e. 30 credits completed, including in-progress coursework), have a minimum 2.5 cumulative GPA at the time of application, and submit a completed application prior to the stated deadline.

## Application Process

Applications for the entrepreneurship and innovation minor are accepted during a limited time-frame in both fall and spring (prior to the start of the following term's registration). Students must submit a completed application, on-time, and meet the GPA and credit minimums for consideration. Applications will be reviewed by the Management Department and all students will be notified of their decision.

## Application Timeline

The application timeline for admission for fall 2019 is as follows:

Tuesday, January 22

Online application opens. To apply, visit: [biz.colostate.edu/academics/undergraduate-programs/entrepreneurship-minor](http://biz.colostate.edu/academics/undergraduate-programs/entrepreneurship-minor)

Friday, March 1

Online application due by 11:59 p.m. m.s.t. Late applications will not be accepted.

Monday, March 25

All students notified of status. Newly accepted students won't be able to register for most minor courses until 3-5 business days after notification of acceptance.

Newly accepted students are highly encouraged to attend an entrepreneurship and innovation minor orientation (held in the fall). The management department will introduce students to curriculum, set expectations, and introduce the Institute for Entrepreneurship. Specific event date and details will be shared with accepted students.

Students who are not accepted into the entrepreneurship and innovation minor are eligible to re-apply in a subsequent semester.

## Entrepreneurship and Innovation Minor Advising

All advising for the entrepreneurship and innovation minor is conducted via email at [entrepreneurshipminors@colostate.edu](mailto:entrepreneurshipminors@colostate.edu). Students should include their CSU ID number when communicating. This inbox is checked regularly (Monday - Friday, except on University Holidays) to provide students with a quick reply; please allow up to 3 business days for a response.

## Questions?

For questions regarding the entrepreneurship and innovation minor, email: [entrepreneurshipminors@colostate.edu](mailto:entrepreneurshipminors@colostate.edu).

## Curriculum Information

In order to obtain the entrepreneurship and innovation minor all minor courses must be passed with a "C" grade or higher, this includes all minor courses completed at CSU or a transfer institution.

Students can only choose 2 courses from their major area to apply to the entrepreneurship and innovation minor. The College of Business strictly enforces all prerequisites for the entrepreneurship and innovation minor curriculum. In order to register for a course, students must have all prerequisites for that course completed before the semester they plan to take it.

There is no limit on the number of credits a student can transfer from another institution to count toward the entrepreneurship and innovation minor. Note that community college courses can only transfer as 100-200 level courses to CSU. Students choosing to transfer courses from other institutions must independently research potential options and equivalences first, then contact the minor advisors (via email) to confirm equivalencies. To view equivalent courses taken at other institutions please visit: [www.transferology.com](http://www.transferology.com). Students planning to take entrepreneurship and innovation minor courses while studying abroad, email [entrepreneurshipminors@colostate.edu](mailto:entrepreneurshipminors@colostate.edu) the semester prior to departure (at the latest) to determine if courses will satisfy minor requirements.

ENTREPRENEURSHIP AND INNOVATION MINOR COURSES (24 CREDITS)				
	COURSE	TITLE	PREREQUISITE(S)	SEMESTER(S) OFFERED*
REQUIRED	FIN309	Fundamentals of Entrepreneurial Finance	MGT340	fall, spring
