Graduation Requirements

All Business courses and required Non-Business courses must be taken for a letter grade unless the course is only offered as Pass/Fail. Only Free Electives may be taken Pass/Fail if offered as Student Option Grading and are limited to one course per semester. Degree requirements include: a minimum of 120 credits, 2.0 cumulative/University GPA, 2.0 business/economics GPA, 42 of 120 credits upper division [300- to 400-level] (30 credits must be taken in residence), 50% of total required Business credits must be earned at or through Colorado State University, and 15 of the last 30 credits must be in residence. University policy requires that students graduate under the curriculum in place at the time of their graduation

Additional Notes

- Courses may be restricted to specific class levels, use the Course Schedule/registration system (via Ram Web) to view restrictions.
- Terms indicated are when the College of Business anticipates each course will be offered and should be utilized with the guidance of your academic advisor for future planning purposes. Courses may be offered in terms different than those listed. You should always use the Course Schedule/registration system (via Ram Web) to view the most up-to-date course offerings.
