

DRIVE ACADEMIC AND RESEARCH INNOVATION

HELP ENSURE that Colorado State University attains global pre-eminence as one of the top business schools in the nation with the best business minds in the world.

Supporting endowed faculty positions is vital for recruiting, rewarding, and retaining the best scholars and leaders who strengthen our programs and reputation; generate research and lead programs that transform our world; and provide a world-class education for students that will last a lifetime.

“ Supporting our world-class faculty ensures that we are teaching the next generation of leaders who will address our most pressing social, environmental, and economic challenges. ”

– Beth Walker, Ph.D., dean, College of Business
