

TEACH THE NEXT GENERATION OF BUSINESS LEADERS

SUPPORT COLLEGE OF BUSINESS STUDENTS as they set out to learn to be the next generation of business leaders addressing our most pressing social, environmental, and economic challenges.

Your support helps make a college degree affordable for students, allows CSU to attract the best and brightest students, and gives students the opportunity to concentrate more fully on their studies. There is no greater gift to students, and society, than the opportunity to pursue and use a higher education degree to better our world.

“ I am blessed beyond measure to have been given a scholarship at CSU. Having the freedom to dream, learn, and grow at an incredible four-year institution is something I never would have imagined possible without your support. ”

– Melissa Quesada, College of Business student and Michael Smith 50th Anniversary scholarship recipient
