

## Welcome to the Career Management Center of the College of Business at Colorado State University!

Thank you for your interest in hiring CSU Rams and posting your job/internship opportunity with us! Due to the high volume of postings that come through our office, we ask that all employers post their own positions directly to [Handshake](#) (previously CareerRAM).

To be eligible to post internships and jobs with CSU, employers must read and comply with U.S. Equal Employment Opportunity law and Career Center policies and practices. These policies can be found on page 2 – 5 of this document.

Once you have reviewed our policies and procedures, using Handshake is quick and easy--just **follow this link to register**: <https://colostate.joinhandshake.com/login>.

If you have previously registered in our system, simply log in. If you are new to our system click on the blue words in the right hand corner, “[Need an Account?](#)” and follow the instructions.

For inquiries regarding additional ways to engage College of Business Students or if you have an interest in recruiting students outside of the College of Business, please contact our Employer Relations Team, at [hirebizrams@mail.colostate.edu](mailto:hirebizrams@mail.colostate.edu)

If you have any other questions regarding posting your open positions, please email the CMC team at [cob-cmc@business.colostate.edu](mailto:cob-cmc@business.colostate.edu) or call us at (970) 491-1540.

Thanks for your interest and we look forward to working with you!
